

Dear Community Partner:

This summer the Badger Lake Dragon Boat Bash will celebrate its 29th season on the beach at Kennedy Park with **special event**. We are honored to host world class and national championship coaches; Josh Hwung and Tommy Leonardi. On Thursday, **June 11th & Friday June 12th** Josh & Tommy will conduct an elite dragon boat clinic for paddlers from around the Midwest. Paddlers will hone the skills needed to make their 2026 season the most successful ever.

Following the clinic **Burnin' Sensations** will be the headliner for this summer's **Badger Lake Dragon Boat Bash, June 12 and 13, 2026. Burnin' Sensations** delivers contagious grooves and infectious melodies on demand wherever people gather. They thrive on crowd interaction and deliver popular sounds from the late '60s through today.

The **Badger Lake Dragon Boat Bash** is one of the premier community events in Fort Dodge. The event is a fun filled, family friendly weekend that includes everything from a concert on Friday night to the thrill of teams competing in the centuries old Chinese sport of dragon boat racing on Saturday. It's the perfect mix of community building and team building, not to mention a ton of fun. As we begin planning and budgeting for this summer's event, our reason for writing is to ask for your financial support in 2026. **Without the support of our sponsors this event would not be possible.** Simply complete the attached sponsorship form and return it at your earliest convenience. We can invoice you for your sponsorship later. A copy of our sponsorship packages outlining benefits at each level is enclosed.

On behalf of the Badger Lake Dragon Boat Association Board of Directors, thank you in advance for your continued financial support. We look forward to hearing from you soon!

Sincerely,

BADGER LAKE DRAGON BOAT ASSOCIATION
